

# **restricted area** only enter when a lab monitor is present

... so we can stay safe and keep the lab accessible

violations will be reported

exceptions are retrieving a finished 3d print and  
accessing personal project storage

## **new to the CollabLab?**

all types of personal projects are welcome  
come in whenever the lab is open  
lab status and scheduled hours are posted on  
<http://collablab.wpi.edu>  
we are *always* open during scheduled hours  
and *usually* in afternoons and evenings  
ask our friendly lab monitors for tool and project help
